ABHISHEK MEENA

A: Indore, MP 453441 **P:** (+91) 9340169726 **E:** abhimeena01ss@gmail.com **L:** www.linkedin.com/in/abhimeena0702

OBJECTIVE:

Computer science graduate with experience building full-stack applications using Java, Spring Boot, HTML, CSS and JavaScript. Eager to leverage my backend and frontend development skills to contribute effectively to innovative software solutions.

SKILLS:

- Programing Languages: Java, JavaScript, C
- Frameworks & Technologies: Spring, Spring Boot, Spring MVC, Hibernate, RESTful Web Services, JSP, Servlets
- Databases: MySQL, PostgreSQL
- Version Control: Git, GitHub
- Web Technologies: HTML, CSS, JavaScript, React, GSAP
- Tools: VS Code, IntelliJ IDEA, Eclipse, Postman

EDUCATION:

Bachelor's Degree in Computer Science   *CGPA:6.82 | May 2025*

Sushila Devi Bansal College, Indore

Senior Secondary (XII)   *68.6%| May 2020*

Kelwa Public HS School, Mhow

Senior Secondary (X)   *79.9%| May 2018*

Little Angels HS School, Mhow

PROJECTS:

Expense Tracker Dashboard:
- Developed a Java based application to track personal expenses by using Java, Spring Boot, Spring JPA, MySQL, and React.
- Implemented features such as adding and deleting expense and also Chart.js for interactive data visualization.

Word Guessing Game:
- Developed an interactive word guessing game using React functional components and Hooks for state and effect management.
- Implemented core game logic including letter matching, guess validation, and attempt tracking.

Recipe Generator:
- Built a dynamic recipe generator using **React** and Integrated with a third-party **recipe API** to fetch real-time data, including ingredients, cooking steps,

EXTRA-CURRICULAR ACTIVITIES:

Personal Projects: Developing several personal projects and applications.
Reading: Reading about new technologies and programming languages.
